Thanks for setting these times up Sarah. Did the Tribe provide attachments with the letter to show what their statements were based on?

DRAFT-DELIBERATIVE* ATTORNEY-CLIENT PRIVILEGE

Dear R10 and Informal HQ Technical Review Team,

Attached is a draft issue paper I have developed with others (Mike, Jim C., John) as briefing material for the 31 July briefing for Denise Keehner (below) you are invited to (Dave & Helen were invited from R10; Kim and Ben are also welcome).

Also attached are 6 items referenced within the issue paper, a flow chart of EPA options/legal risk, and a watershed map.

Please provide your comments to me on the attached issue paper/flow chart no later than 19 July (Friday).

Region 10, please send me one set of consolidated R10 comments.

Feel free to contact me with questions. Note that from July 16-26 I will be in training, checking email intermittently in the evenings.

Thanks!

P.S.—I am putting 2 “holds” on our calendars for R10-HQ calls before the briefing (recall on our Jul 2 call, Dave suggested we schedule 2 more calls before the tribe-state-EPA face-to-face meeting). I will need to rely on Mike to help lead these calls while I’m in training.

DRAFT-DELIBERATIVE ATTORNEY-CLIENT PRIVILEGE*

Objective:

Obtain management feedback on HQ staff's recommendation on the approvability of the state-developed Pend Oreille Temperature TMDL. The TMDL for Pend Oreille WA is being planned (date TBD) for August in Region 10.
